

# Instructor-Led

## Amadeus Digital Awards

This course focuses on how to configure Cash to Miles conversion rules through the Amadeus FareXpert filing platform. The conversion rate defined in these rules can feed an airline's online channel (Digital Awards) or the offline channel (ARD Web) or both. It allows frequent travellers to book air travel and settle the price of a ticket either in currency, or in miles, or in a combination of both.

On this course you will learn how to:

- > Describe the Award Converter and the Miles & Cash slider logic.
- > Access to the 'Cash to Miles conversion' module in FareXpert.
- > Create, duplicate, edit a conversion rule for commercial and redemption booking classes.
- > Create adhoc promotions.
- > Differentiate the conversion process of fares from the one for Ancillary Services and Taxes.
- > Create specific conversion rules for Marginal fares.

This course covers the following topics:

- > Product overview of the Digital Awards suite (Converter Engine, Award converter and Miles & Cash slider)
- > How to access the FareXpert Cash to Miles conversion module.
- > How to create cash to miles conversion rules (various use case scenarios).

Certification:  
No

Duration:  
3 days
